

Debra Isaacs Schafer

“Best coaching session ever.”

“This workshop taught me things I didn't even realize that I didn't know.”

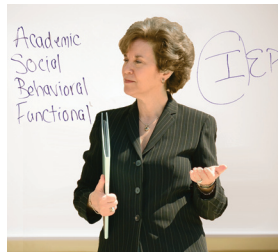

I share, engage, teach, & inspire...

Few things matter more than helping parents of children from preschool through college with autism spectrum disorders, ADHD, learning differences and mental health issues learn how to effectively advocate for their children in school. We focus on today, prepare for tomorrow, and understand that success in life is the goal.
